

Going to the Minnesota State Fair with Wilber

First we had to get Wilber in a crate then we took off! As soon as we got there we had to get him in his pen. We decided we should go on rides. The ones we went on were the Ferris wheel, the scrambler, and the rollercoaster. When we came back Wilber was gone! We got the carnival workers to help us look. They even had to shutdown all of the rides! We went to the chickens. All we saw were eggs. We also saw some cows getting milked. Then we went to the horses. We saw some trophies. And last, we went to the sheep who were getting sheared. We looked everywhere but not everywhere. There was still the Hotdog stand. So we looked there and there he was eating a hotdog! We took him back to his pen and the next morning there was a purple ribbon hanging in his pen! After that we got his crate and inside were Charlotte the spider and Templeton the rat. When we got back to the farm there was a present for Wilber. It was a bucket of slop!
